

## QUESTIONS

### Easy

1. Can you find a road that sounds sharp to the touch?
2. Where on the map sounds like an appropriate place to pitch a tent?

### Medium

3. Can you find all three 'green' Monopoly street names on this map?
4. There are two streets on the map named after yellow-flowering trees. What are they?

### Tricky

5. Starting at 524, travel in a straight line to an island. From this island, travel directly east until you meet a named street. At this point, travel in a line that is parallel to the first line you followed, and stop this line when it reaches the same latitude as your starting point. What building have you arrived at?
6. What printed word on the map is the only one surrounded (entirely on the map) on all sides by train tracks?

### Challenging

7. Which location on the map shares its name with a football club's former home ground?
8. Which places on the map are being described here?
  - a. Water carrier with panache
  - b. Driver moulted
  - c. Fodder is functional
